

wellness on demand

(BROUGHT TO YOU BY GOOD HEALTH)

Introducing monthly on-demand wellness podcasts from Nurtur.

New convenient podcasts feature topics covering a range of health, wellness and life issues from *Balancing Work and Personal Life* to *Coping with the Stresses of Caregiving* to *Controlling Your Cholesterol*. Available exclusively on the mynurturlife.com portal, wellness podcasts are fun learning opportunities for members to engage in anytime, anywhere.

Wellness podcasts are offered free as part of our Good Health communications series. It is another way that we're giving members the knowledge, know-how and motivation they need to take control of their health and improve their work and life productivity.

Each wellness podcast is presented by subject matter experts including:

- Medical Doctors
- Registered Nurses
- Certified Diabetes Educators
- Respiratory Therapists
- Registered Dietitians
- Exercise Physiologists
- Certified Tobacco Treatment Specialists
- Masters in Social Work
- Work-life Consultants
- Certified Employee Assistance Professionals

Free, convenient and informative.
